**Notice about termination of after-sales services for some Ando Electric's products:
AY-8601/AY-8611/AY-8641/AY-8620(AY-8621/AY-8631)**

Dear customers,

Thank you for using our products. This notice involves the after-sales service termination for some marking products manufactured by Ando Electric Co., Ltd (hereinafter referred to as "AY products").

As many years have passed after the release of AY products, it is currently very difficult to ensure the supply of components for AY products. Also, we cannot assure repaired AY models can work normally because repair parts are aged.

We recommend using successor models as substitutes. For details and questions about products, please feel free to contact us.

We apologize for the inconvenience that this may cause our valued customers.

1. Date of after-sales service termination
January 31, 2014
2. Marking machine models subject to be termination of after-sales service

Model	Discontinued Date	Successor Model
