**Product Discontinuation Notice:**

**VM7810 Air Pen Marking Machine / VM7820 Air Pen Marking Machine /  
VM1000 (VM1000A/VM1000B1) Air Pen Marking Machine**

Dear customers,

Thank you for using our products. This Product Discontinuation Notice involves the manufacture discontinue and End-of-Life of VM7810 Air Pen Marking Machine, VM7820 Air Pen Marking Machine and VM1000 (VM1000A/VM1000B1) Air Pen Marking Machine.

As many years have passed after the release of these machines, the supply of some machine components is discontinued. Especially, after Lehman Shock and 2011 The Tohoku earthquake and tsunami, the supply of many components is discontinued. For these reasons, we have been forced to decide to terminate sales of these marking machines.

We apologize for the inconvenience that this end-of-life may cause our valued customers.

For after-sales service, maintenance and supply of spare parts of old models, we will do everything possible the same as before.
